Read and check the following to ensure ordering success... Quantity discounts (unit prices) are based on the total number of vines you order, make sure the unit price is the same for all varieties. Example- 100 Frontenac vines plus 100 Edelweiss vines equals 200 total, so the unit price is \$3.79 each. Please indicate if you wish to have your order shipped or available for pickup, and when. Your shipping charge and/or remaining balance will be included in the final invoice, which will be sent out in April. Please include full payment if your total is less than \$400, if it is greater than \$400 please include 50% of your total as a deposit.	Select One: Ship Pickup
